Durham

Durham brings an invitingly residential look to the hard working world of Crypton. The clever mix of chenille yarn in the weft with a semi lustred warp is soft to the touch and displays a distressed vintage weave effect, whilst retaining all the renowned barrier qualities of Crypton.

Its antimicrobial and stain resistant technologies, coupled with Cryptons famous fully integrated permanent liquid barrier make Durham ideal for areas requiring high commercial maintenance schedules such as Healthcare, Hospitality and Education.

Application	Heavy Duty Commercial Upholstery and Healthcare
Composition	100% Polyester
Width	138cm
Abrasion Resistance	100,000 Martindale
Light Fastness	5
Weight	538 GLM
Flammability	ASI503.3
Cleaning	Spot clean with water and mild detergent (1% detergent). Do not use solvents.
