Quest

Created with a conscience, Quest is a continuation of our partnership with the SEAQUAL INITIATIVE to combat marine plastic pollution. Waste made wonderful, this lightly textured fabric is woven entirely from post-consumer recycled plastic - transforming it into a fabric as fluid as the waves by which it was inspired, and which it seeks to save. With a balanced hopsack weave enhanced by discat-dyed SEAQUAL® YARN and a lightly textured surface, Quest brings a touch of the ocean's natural beauty to commercial interiors.

For every metre of fabric sold containing SEAQUAL® YARN, we make a give-back donation directly to the SEAQUAL INITIATIVE.

Photographic fabric scans are not colour accurate. Always request actual fabric samples before ordering.
