## Main Line Twist

Woven from a blend of wool and flax, Main Line Twist is a tweed effect textile with a beautiful, handwoven appearance. Multi-tonal yarns create a fabric with impossible-to-define colour detail, rich in warmth and texture.

Made to pair with Main Line Flax, these two textiles are natural partners.

Due to the nature of Main Line Twist there may be natural variation in the appearance of the fabric.

Application	Task & Soft Seating, Panel
Composition	75% Virgin Wool, 25% Flax
Width	140cm
Abrasion Resistance	50,000 Martindale
