## Main Line Flax

Mainline Flax builds on our industry leading bast fibre expertise to create a new inherently flame retardant fabric from sustainable sources. A symbol of purity, wild flax has been used in textiles for thousands of years thanks to its strong, long and smooth fibres found inside the stem of the plant. The fibre is spun into a 75-25 wool flax blend, then dyed to create beautiful mixture yarns which are woven into interesting solids and cross-colours inspired by the rich tones of rare jewels.

Application	Task & Soft Seating, Panel
Composition	75% Wool, 25% Flax
Width	140cm
Abrasion Resistance	50,000 Martindale
Light Fastness	5
Weight	437g/m <sup>2</sup>
Flammability	ASI530.3 AS3837 ISO5660
Environment	EU Ecolabel, Renewable and Compostable
Cleaning	Vaccum regularly. Professional dryclean or wipe clean with a damp cloth.
Guarantee	10 Years
