Henley

Brings an invitingly residential look to the hard working world of Crypton. Tonal variations and twisted yarn effects create a sophisticated hand woven look with wonderful textural interest, in a soft and considered palette of 8 trending colours.

Woven in Europe to Greenguard Gold standards, its antimicrobial and stain resistant technologies coupled with Cryptons patented permanent liquid barrier, make Henley perfectly suited for areas requiring high commercial maintenance schedules such as Healthcare, Hospitality, Education and other heavy traffic situations. Henley teams perfectly with its chunky weave companion Chelmsford.

Fabrics for lifes' busiest places.
