Dido

Brings an invitingly residential look to the hard working world of Crypton. Its chunky-look chenille with cut textural detail and deliciously deep pile offers a cosy and inviting feel and can happily suit a casual relaxed space or add a touch of luxury.

The 'on trend' palette of 10 shades range from warm neutrals to rich jewel tones and deep olive.

Woven in Europe to Greenguard Gold standards, Didos' antimicrobial and stain resistant technologies, coupled with Cryptons patented permanent liquid barrier make it perfectly suited for areas requiring high commercial maintenance schedules such as Healthcare, Hospitality, Education and other heavy traffic situations.

Dido teams well in most colours with Crypton friends, Henley and Chelmsford.

Fabrics for lifes' busiest places.
