

ARTICORK PRODUCTS, S.L.U. DECLARATION

REACH REGULATION

Palafrugell, 11th February, 2023

Articork Products, S.L.U. does neither produce nor import any Chemicals or preparations, from non-EU countries for which registration is needed.

According to the REACH regulation our products, do not contain substances that are intended to be released under normal or reasonably foreseeable conditions of use.

Our products do not contain substances above a concentration of 0,1% weight (w/w) that are categorized as very hazardous substances (SVHC).

As user of Chemicals, Articork Products, S.L.U. is working to insure that the REACH impact will not affect the purchasing of the raw materials, neither the quality of our products, nor the criteria's regarding the Chemicals safety of the products we supply.
